Subject: Sandleford appeal - CIL Governance Arrangements Document

Dear Ms Dyson

Please forward this email to the Inspector in answer to her question relating to the CIL Governance Arrangements Document, which appears as Appendix 16 to Mr Jone's proof of Evidence.

I am advised by the Council's CIL Team colleagues that the CIL Governance Arrangements document is a descriptive document for collection and apportionment of CIL receipts and draws from the CIL regulations. It was published on 11th September 2019. It is not a document required by the CIL regulations, or one that needs to be adopted. It was part of a suite of notes that were produced by the Council's CIL Team when the regulations changed significantly in 2019.

I trust this answers the Inspector's question.

Kind regards

Niko
