

A4 Western Avenue / Brummell Road junction
Proposals: Tighten radii of kerb lines to slow speeds at junction with side road.

Zebra crossing
Proposals: Provision of zebra crossing on Brummell Road outside Robert Sandylands Primary School and Nursery.

Parallel crossing
Proposals: Staggered crossing to be replaced with a single stream parallel crossing. Build out kerblines on both sides of the road to enable adequate width for footway and cycleway.

A4 Western Avenue
Proposals: Convert verge to kerb segregated cycle track on both sides of the carriageway.

A4 Western Avenue / Waitrose Delivery entrance junction
Proposals: Tighten radii of kerb line.

A4 Western Avenue
Proposals: On carriageway protected mandatory cycle lane.

A4 Western Avenue / Brummell Road junction
Proposals: Widen crossing island for use by cyclists and pedestrians.

A4 Western Avenue / Old Bath Road junction
Proposals: Tighten junction radii on Old Bath Road.

Parking intervention
Proposals: New physical measures to prevent parking on the verge, footway and at junction.

Key:

-  On-road mandatory cycle lane (light-segregation).
-  Segregated cycle track.
-  Existing shared use cycle/footpath.
-  Changes to crossing to improve for cyclists.
-  Side road intervention.
-  Changes to crossing to improve for pedestrians.
-  School.
-  Parking intervention.
