Dear All

I came to this village 37 years ago to live in a village not a town

It has grown so much with houses and businesses

But now coming to my retirement I find I am living in a little town

Not what I invested in 37 years ago

But now find I am not in the persision to move to a village

I understand the need for more house but

No Schools

No Doctors

No Dentist

More Traffic

Drainage

How much more can this village (small town ) take ?

I am sure I am not the only person upset at what you are building around Theale Village
