Objections to the

North East Thatcham Strategic Site  
Allocation shown in the

Proposed Submission (Reg 19) West  
Berkshire Local Plan Review 2022-2039

I wish to object to the proposed  
development outlined for the North East  
Thatcham Strategic Site Allocation on the  
following grounds

1. Traffic – increased traffic through Upper  
Bucklebury and Chapel Row

2. Pressure on school places in the area

3 TwoPoints in direct contradiction to the  
recent government's announcement-  
Five-year delivery plan to restore nature

and improve the environmental quality of the air, our waters and our land -

A) Consequential damage to the common  
B) Greenfield development abutting an AONB with negative impact on biodiversity

4. Pressure on medical & complementary services in the area

5 Number and type of houses far in excess of needs of the area
