

YOUR NEW AND IMPROVED BUS SERVICE

operating in the Northwest Downlands area of West Berkshire

Funded by
UK Government

Mondays to Fridays

Replacing the 5, 5a and 5c services, your new service will operate on a pre-bookable on-demand basis. You will be able to travel between many designated pick-up and drop-off points in the Downlands area and travel into and from Newbury.

HOW DOES YOUR SERVICE WORK?

You can book a journey using the passenger app. When you request a booking, our smart technology will match up your journey with any other passengers travelling in the same direction.

Journeys can be booked up to 7 days in advance and, subject to vehicle availability, as little as 30 minutes in advance.

WB Community Connect

The app can be downloaded for free from the App or Google Play Stores.

To book a journey:

1. Download the app
2. Open and Sign Up as a new passenger
3. Select a day for travel
4. Request your pick-up point and destination point
5. Request your preferred departure or arrival time
6. State how many people will be travelling.

The app will show your closest pick-up and alighting points for your trip and will also let you know the walking distance.

You will receive updates to confirm the exact arrival time of the bus and you can track the journey.

Don't worry if you do not have a smart phone, you can book journeys by:

Telephone: **01635 519650**

Email: **communityconnect@westberks.gov.uk**

Phones and emails will be answered between the hours of 0900 to 1600 Monday to Friday.

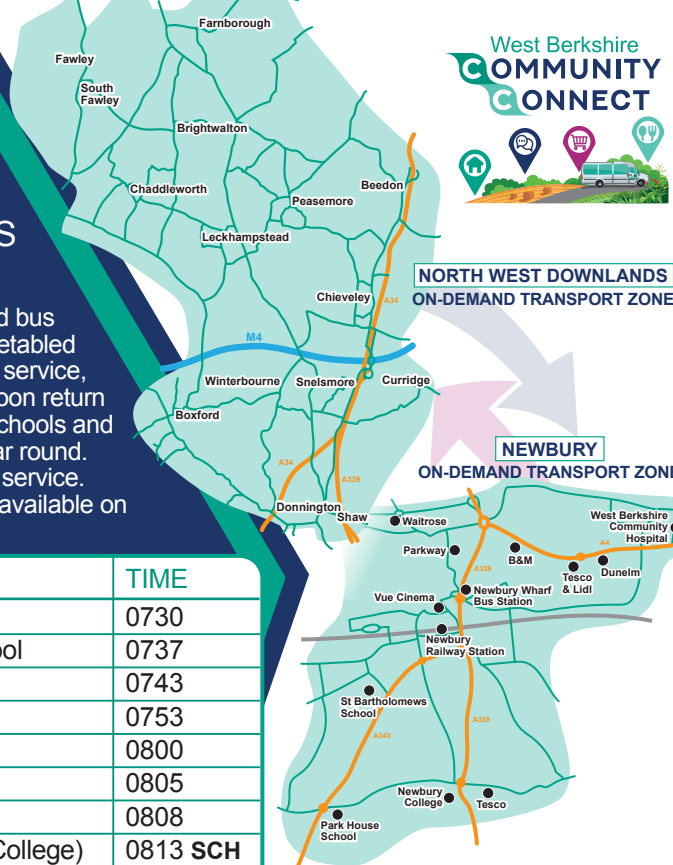

West Berkshire
COUNCIL

WEST BERKSHIRE COMMUNITY CONNECT A TIMETABLED SERVICES

Mondays to Fridays

To compliment your new on-demand bus service we will continue to run a timetabled route in the morning replacing the 5 service, and in addition we will run an afternoon return journey enhancing the services to schools and colleges. This service will run all year round. You do not need to book to use this service. Tracking of timetabled routes is not available on the app.
