PART B – Your representation(s)

All comments made at previous stages of the LPR have been taken into account by the Inspector and there is no need to resubmit these. Publication of the proposed Main Modifications is a regulatory stage and any representations made should relate specifically to the legal compliance and soundness of the proposed Main Modifications and should not relate to parts of the Plan that are not proposed to be modified.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change.

Your name or organisation (and client if you are an agent):

Proposed Main Modifications and Proposed Changes to the Policies Map

1. Please indicate whether your representation relates to the Schedule of Proposed Main Modifications or the Schedule of Proposed Changes to the Policies Map and provide the modification/change number you are commenting on below:

Document name	LPR Proposed Main Modifications (MM) Nov 2024 re: Land East of Pincent Lane (TIL13) and the Proposed extension of the Tilehurst Settlement Boundary (PMC5, Annex E)
Modification/Change reference number (MM / PMC)	MM3 and MM45.

2. Do you consider the Proposed Main Modification or Proposed Policy Map Change to be:
(please tick/mark 'X' one answer for a and one for b)

- a) **Legally compliant** Yes No
- b) **Sound** Yes No

Please refer to the guidance notes for a full explanation of 'legally compliant' and 'soundness'

If you consider the Proposed Main Modification or Proposed Policy Map Change not to be sound, please identify which test of soundness your representation relates to:
(please tick/mark 'X' all that apply)

Positively Prepared: The LPR should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements.	
Justified: the LPR should be the most appropriate strategy, when considered against the reasonable alternatives	
Effective: the LPR should be deliverable	
Consistent with national policy: the LPR should enable the delivery of sustainable development in accordance with the policies of the NPPF	X

3. If you have answered 'No' to question 2a or 2b above, please provide details of why you consider the Proposed Main Modification or Proposed Policy Map Change is not legally compliant or is unsound, including any changes you consider necessary to make the Plan legally compliant or sound.

You will need to say why this change will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

With regards to the recent proposal to include Pincent's Lane (Site TIL13, as referred to in the Schedule of Proposed Main Modifications (MM) - November 2024

I wish to object to its inclusion given that this application has been proposed and subsequently refused on multiple occasions over the last few years, due to the following reasons:

1. Access, Traffic and Congestion

When the council and developers assessed the site access, they originally concluded that access to the proposed residential area would run past IKEA down the lower section of Pincent's Lane to the interchange with Sainsbury's and then onto the M4.

Previous explorations solidly indicated that any exiting traffic heading south, passing by the IKEA site will create an additional congestion problem to that which already exists. Also, should an exit to the north onto City Road or Little Heath Road now be under consideration, the residents from this new development would add to the already congested traffic going down Langley Hill or even down Sulham Hill towards Pangbourne or Theale to get out to the westbound A4.

Over the last few weeks, I have noted that the Langley Hill exit route from Tilehurst has already become severely congested due to the M4 roadworks, and I doubt it will ease even when those are completed due to the recent housing additions in the area (i.e. Stoneham's Farm, Dorking Way).

Another unintended consequence, should the fully opening up of Pincent's Lane be considered, would be that people from Purley, Pangbourne and other areas in West Reading will use it to get to IKEA and to Sainsbury's, creating an entirely new and very difficult problem.

Surely given the current traffic situation, this is now worse than previously assessed and should be reassessed in any future decisions.

2. Amenities:

At this time, we know that all local Primary (Springfield, Birch Copse, Calcot) and Secondary (Theale Green, Little Heath and Denefield) Schools are full.

In addition, all of the local Doctors surgeries are full and are not accepting new patients, and some have even shrunk their catchment area to try and resolve the problem themselves.

How will these new residents be served if there are no spaces for education and medical services anywhere?

A past application said the developers would build a Doctors Surgery, but the NHS confirmed during that process that they wouldn't be able to take it on and to staff it. Add to this that there are now limited pharmacy provisions in and around Theale and Tilehurst, this makes matters worse as people will have to travel, mostly by car, to locations where they can get their medications.

These new residents will effectively have no services available to them, which makes the proposal completely impractical, and would add excessive stress to a system that is unable to cope now, let alone further down the line.

3. Environment

The systematic elimination of local green spaces has to be halted, we cannot continue to destroy habitats for wildlife or remove outdoor spaces..

There has to be a line drawn somewhere or we will increase pollution from traffic, ruin the local environment for wildlife, increase the risk of flooding.
