Proposed Main Modifications and Proposed Changes to the Policies Map

1. Please indicate whether your representation relates to the Schedule of Proposed Main Modifications or the Schedule of Proposed Changes to the Policies Map and provide the modification/change number you are commenting on below:

Document name	Schedule of Proposed Main Modifications
Modification/Change reference number (MM / PMC)	MM8/Policy SP4 and MM9/Supporting text to SP4

2. Do you consider the Proposed Main Modification or Proposed Policy Map Change to be:
(please tick/mark 'X' one answer for a and one for b)

- a) **Legally compliant** Yes No
- b) **Sound** Yes No

Please refer to the guidance notes for a full explanation of 'legally compliant' and 'soundness'

If you consider the Proposed Main Modification or Proposed Policy Map Change not to be sound, please identify which test of soundness your representation relates to:
(please tick/mark 'X' all that apply)

Positively Prepared: The LPR should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements.	
Justified: the LPR should be the most appropriate strategy, when considered against the reasonable alternatives	
Effective: the LPR should be deliverable	
Consistent with national policy: the LPR should enable the delivery of sustainable development in accordance with the policies of the NPPF	

3. If you have answered ‘No’ to question 2a or 2b above, please provide details of why you consider the Proposed Main Modification or Proposed Policy Map Change is not legally compliant or is unsound, including any changes you consider necessary to make the Plan legally compliant or sound.

You will need to say why this change will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

ONR supports the soundness of the overall plan as it relates to its approach towards **not** allocating residential sites in the Detailed Emergency Planning Zone (“DEPZ”) of AWE Burghfield (“AWE(B)”). Additionally, ONR supports the modification to SP4 and the supporting text.

ONR currently judges the OSEP for AWE(B)’s DEPZ to be stretched, which poses challenges for accommodating new development in the area covered by the OSEP.
