

WEST BERKSHIRE
COUNCIL

DEVELOPMENT & REGULATION

8-1-2025.

Dear Sir or Madam.

I am writing regarding the proposed Henwick Park development.

- 1) Infrastructure inadequate for such a big development.
- 2) Excess traffic using Cold Ash (Village) and Heath (Lane)
- 3) Both doctors and dentist under pressure now without extra population that the development will generate.
- 4) Schools under pressure now.
- 5) This green field site should be farmed.
- 6) (All) brown field site should be developed first.
- 7) We need council houses built.

yours

Sincerely

Mrs H E Gamar
