Book the courses [here](#)

Workforce
Transition pack for pupils in primary – designed for autistic pupils but deliberately do not have the word 'autism' on – often used for any pupil.
Contact
Sue.Granger1@westberks.gov.uk

A young person's full autism diagnosis paperwork is required for a referral to our team. This can be a private diagnosis or through CAMHS. The copy of the autism diagnosis paperwork counts as the referral to enable us to work with the young person individually in school and for our family advisor to speak individually with parents/carers where appropriate. We aim to become involved within 12 weeks of receiving paperwork.

Post Autism Diagnosis

Family
Welcome pack sent to family post diagnosis. Families can sign up to monthly newsletters and fact sheets.

Family
Monthly newsletter and autism factsheets. Accessed by signing up to the monthly updates via
learningsupportteam@westberks.gov.uk

Family
